Matching the Right Candidate to the Right Client

The mission of Abigail Consulting Solutions is to match the right candidate with the right client in the most cost-effective and timely manner resulting in a mutually beneficial relationship between both parties.

We have close to two decades of experience matching clients with the superior candidates in Information Technology; Banking and Accounting & Finance. We empower applicants to transform their lives and meet their career

goals by finding them their ideal jobs. We will carefully screen and match candidates so that they fit well with our clients' corporate cultures and meet all the requirements for specific job skills and experience.

Abigail Consulting Solutions takes great pride in working closely with our clients to give them the access to the top Compliance, Information Technology, Accounting & Finance, and Administrative professionals. ■

Our Thorough Process Benefits Our Clients

At Abigail Consulting Solutions we aim to transcend the traditional vendor/client relationship, creating a bond that exceeds expectation. To that end, our recruiters perform client site visits and personally meet every contract and temporary professional before presenting him or her to our clients.

We understand that both full-time employees and consultants are subject to the same rigors, and clearly communicate the importance of accurate information and full disclosure to potential hires. Our recruiters specialize in using the latest techniques to evaluate and screen candidates. We are experts on market conditions relating to temporary and contract staffing requirements. We have trusted, long-term relationships with clients and are constantly on the look out for trends that will impact their businesses. ■
